

Camp Fire Conditions of Use

- **The use of the outdoor campfire area is permitted only at night with permission from centre staff.**
- **The Campfire can only be used between the months of March - October, and will also depend on the current weather conditions or any fire bans.**
- **The camp fire will be lit by centre staff only, and activities around the campfire should cease by 10pm.**
- **Wood for this can be collected from the floor of the bush.**
